## GENERAL INFORMATION

WESSEX HOME TUITION was formed over 20 years ago in response to the ever increasing demand for private tuition, reflecting parents' concerns for their children's educational welfare.

We cater for all types of student. We have improved performance at all levels of SATs, and have had success with the 11+, 12+, Common Entrance, GCSEs and 'A' levels. Tutors with Special Educational Needs experience are available for those with learning difficulties.

Each tutorial lasts one hour and is on a one-to-one basis. It may take place in the student's home or at the Tutor's home, by arrangement, either after school or at weekends. An hour's individual tuition each week over a period of weeks or months can markedly improve a child's understanding and confidence, improving his/her performance. For 'A' level or degree students, adults and home schooled students, it is possible to arrange daytime tuition if required. Where tutorials take place at the student's home, a responsible adult should also be on the premises at the time of the tutorial.

Fees are paid directly to the tutor on a per lesson basis. If invoicing is required, please contact the administrator.

Tutorials can be cancelled by giving 24 hours notice to the tutor. If no notice is given, the fee will be payable. Please ensure you keep the contact details for your tutor.

We recommend only fully qualified professionals who are DBS/CRB checked. We understand parental concerns and aspirations. Tutors provide suitable, structured work for each individual's study and keep you informed of the work covered and the progress made. WESSEX HOME TUITION expends much time and effort establishing the qualifications and suitability of the Tutors and all Tutors are personally visited by the Principal. Our aim is to introduce you to a well qualified and reputable Tutor who is suited to the needs of your child. Although every effort is made to verify a Tutor's suitability, WESSEX HOME TUITION is not responsible or liable for the Tutor.

In the unlikely event of any problem, you can contact WESSEX HOME TUITION direct on 01202 396488. We are here to help.

We hope your association with WESSEX HOME TUITION is a happy one and that you will wish to recommend us to family and friends.

Our aim is to provide an excellent standard of structured tuition, tailored to suit the individual needs of each student.

All tuition is offered subject to tutor availability.
